

## Elevations / Floor Plans Floor Plan 8

A Texas dream home with a unique floor plan... The curving walls of the entry hall open like a tulip to the living and dining areas, where endless windows offer a panorama of the rear garden. An open kitchen ensures easy interaction while entertaining or simply going about daily tasks. A quiet hallway angles away from the center of the home, leading to the master suite and two additional bedrooms. A full bath is located at the head of the hallway for convenience.
